

## Photo Release Form

I am aware that staff, contractors, volunteers or others, acting on behalf of Alberta TrailNet Society, have taken photos in which I may appear. I am aware that these photos have been taken for the purpose of promotion and that Alberta TrailNet is a not-for-profit organization with a goal to promote physical activity in ways that protect or enhance the natural environment. I am also aware that Alberta TrailNet's promotional material is distributed worldwide through newsletters; presentations; promotional, educational and information materials; and on the Internet.

By signing below, I am authorizing Alberta TrailNet to use any photos in which I may appear for the purpose of promotion of Alberta TrailNet's core values. I understand that this release form will remain effective unless a written letter from myself, or a relative of myself, is received by Alberta TrailNet requesting otherwise.
