

Volunteer Week 2010 From compassion to action

On behalf of the staff and Board of Directors of the Trans Canada Trail, please convey our thanks to your many volunteers for their efforts on our behalf. Through their generous commitment of time and expertise, they set a strong example and demonstrate the power of individuals to create remarkable projects and better the lives of all Canadians.

Our goal of a continuous trail linking our diverse and beautiful country from coast to coast to coast, over 20,000 kilometres, requires both financial support and committed volunteers, and we are grateful for the energy, enthusiasm and dedication, which are so generously shared with Trans Canada Trail. We sincerely appreciate everything that is being done to help realize the completion of this legacy project through Alberta and ask that you extend our most heartfelt thanks to the many volunteers who work with you at Alberta TrailNet – their commitment is truly appreciated.
