

Join the Alberta TrailNet Society Board of Directors

Are you passionate about trails, outdoor recreation, and the health benefits of connecting people to nature? Alberta TrailNet Society (TrailNet) is seeking individuals with vision and dedication to join our Board of Directors. As a Board member, you will:

- contribute to the growth and sustainability of Alberta's trail network
- help preserve Alberta's natural landscape
- promote outdoor recreation and active living
- foster community engagement
- participate in trail projects
- play a key role in advocating for the expansion and development of trails
- collaborate with diverse user groups, partner organizations, and stakeholders
- build national and international relationships with trail champions and organizations
- learn about and share technical resources and expertise on trail development

About Alberta TrailNet Society

TrailNet is a not-for-profit charitable society governed by a volunteer Board of Directors. Established in 1989, the Society was formed to foster an organized approach to trail development and use in Alberta. We recognize that trails are vital for both mental and physical health, and we promote managed recreational access, long-distance linkages, and the many benefits that trails provide. Through a partnership with the Trans Canada Trail, we actively promote Canada's national trail within Alberta.

Board Governance Structure:

Includes Officers, Directors-at-Large and Representatives of related organizations (Alberta Bicycle Association, Alberta Equestrian Federation, Alberta Hiking Association, Alberta Off-Highway Vehicles Association, Alberta Recreation and Parks Association, Alberta Snowmobile Association, Nordiq Alberta, Outdoor Recreation Coalition of Alberta).

Commitment:

Board Meetings are held in March, May (AGM), September, and December (length: 5–6-hours). Board committees meet as needed online.

Apply today if you are...

- committed to promoting trail development and active living in Alberta
- have experience, or are eager to gain experience, in governance, strategic planning, or related fields
- able to collaborate effectively with diverse stakeholders

If you're ready to help shape the future of Alberta's trails, we'd love to hear from you. **For more information or to express your interest**, please contact:
